3. Staff Meeting Format Modification

The format for the balance of today's Staff Meeting was modified to allow several attendees to comment on matters of current and mutual interest. The following is a summary of selected comments.

4. DDA Division Chiefs Conference

25X1A The Chief, Physical Security Division announced that the DDA Division Chiefs Conference is scheduled for 28 February through 2 March [REDACTED]. A total of 49 Directorate division chiefs will attend. Repre-

25X1A [REDACTED]

The objective of the conference is to provide a forum for the discussion and solution of managerial problems impacting upon the Directorate. On 5 March, the conference Steering Committee will brief the DDA and A/DDA on conference results.

5. DCI Designate

The Chief, DCI Protective Staff advised that Admiral Stansfield Turner is currently in Europe participating in farewell and change of command ceremonies in connection with his former naval duties. He is scheduled to return stateside on 2 March.

6. Office of Security Case Control and Reporting (OSCCAR) System

The Chief, Security Records Division advised that appropriate Office and ODP representatives have reviewed the OSCCAR System and discussed its problems and deficiencies. ODP has indicated that development of a new system is recommended in lieu of modifying the current system. The Office of Security will

prepare a paper identifying the scope of our revised requirements. ODP will then follow-up with proposed specifications for the new system.

7. Briefcase Inspection

25X1A The DD/PTOS commented that an inspection of briefcases was conducted on 23 February at all Agency facilities except [REDACTED]. This latest inspection activity determined that 53 persons were in the possession of official data upon exiting these facilities. A total of 96 documents were involved.

8. Resident Agencies

25X1A The DD/PSI announced that a recently concluded study identified two resident agencies which will be closed effective the summer of 1977. These residences are [REDACTED]
